## DESTRUCTIVE PRAIRIE FIRE

### One Life Lost and Another in Great Danger in England.

One life is lost and another is seriously endangered in the fire which broke out in the night of Sunday, October 3, at the residence of Mrs. Mary Maguire, in the town of England.

Mrs. Maguire, a Scotch, was sleeping in the bedroom when the fire broke out in the living room, which contained a large quantity of furniture, and she was unable to escape.

The fire was caused by a gas lamp which had been left burning in the living room.

The fire was extinguished by the fire department, but the damage was considerable.

The loss of Mrs. Maguire's life is a great tragedy, and the fact that another life is in danger is a source of great anxiety.

The fire was caused by a gas lamp which had been left burning in the living room.

The fire was extinguished by the fire department, but the damage was considerable.
