Re:- YOUR LETTER TO BISHOP KOLOWA OF JULY 28, 1986
MOTOR-CYCLE FOR KATIBU WA VIJANA (YOUTH SECRETARY)

Dear Dr. Veller,

Kindly refer to your letter 12-143 Ve/B of 28.7.1986, Borkenhausen's
letter 12-143 BO of 20.2.1987 and my telex No. 92 of 11.3.1987.

May I first take this opportunity, on North Eastern Diocese's behalf
to thank you all for donating as well as communicating this information
to us. Also may I kindly request you to convey our sincere thanks to those
who contributed this valuable donations for the youth groups in ELCT -
North Eastern Diocese.

Meanwhile, please hold on the funds for a couple of days so as to enable
us at this end to give you the necessary details as per your request in
your letters. This is because by next week Ndugu Cosmas will be back in the
Diocese for a six weeks of practicals as he is now ^{pursuing a youths programme of six} months at Kitale, Kenya.

Really this is a blessing, if you could just learn from this end that
Ndugu Cosmas had pushed himself to carry on with his duties around the whole
Diocese without a motor-cycle for more than a year after loosing one in an
accident; I need not emphasise so much on this as you can understand that
this Diocese covers the whole of Tanga Region which is 27,348 square kilometres.

I hope to write to you again immediately after Cosmas' arrival in Lushoto.

Yours sincerely,

Richard Shembilu
